## Drive for Partners

# ArtCircleResidence

## The Project

By combining art, wine, business and diplomacy, ArtCircleResidence provides a unique platform, which brings together businesses, winemakers, artists, government and non-government bodies.

The concept of ArtCircleResidence has its origins in an Australian & German Government initiative\* from 2015. The aim of the initiative was to create a positive and modern relationship between Australia and Germany and to take the bilateral cultural exchange to the next level.

ArtCircleResidence was founded in 2017, by the Ambassador to the Federal Republic of Germany in Canberra, Dr. Anna Prinz.

Since then, the ArtCircleResidence list of participating countries has grown significantly and now includes Slovenia, Croatia and most recently Sweden, furthering diplomatic, business and cultural connections between countries.

Dr Prinz now actively supports and connects ArtCircleResidence in Europe, and Australia.

Looking to the future, ArtCircleResidence will expand its dialogue with artists, winemakers and supporters from Asia, fostering new bilateral cultural exchanges.

\*

*“Australia and Germany will explore ways to develop and strengthen cooperative partnerships in the arts and cultural sectors, including through encouraging bilateral exchanges and collaboration between arts and cultural organisations.”*

*Australian-German Advisory Group (AGAG), German Embassy, Canberra.*

# The Events

The ArtCircleResidence events are a unique cross cultural series of artists vernissage and performances, live painting at wineries, and concerts in cultural institutions, government houses, embassies and diplomatic residences.

ArtCircleResidence has been supported through a range of government, corporate and private sponsorships.
